

“IN SHAPE” PROGRAM FOR SHOE ELASTICS

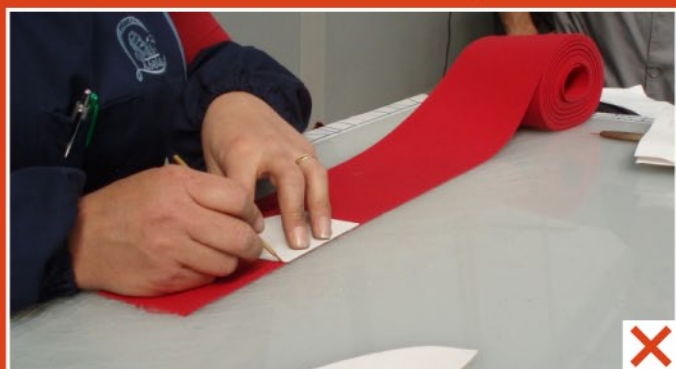

Our “In shape” program means **gains in productivity and direct cost reductions!**

- › Buy elastics in **the shape you want**, avoiding cutting tools and cut operations!

- › Get your elastic with **sew guides**, avoiding drawing tools and work to do it!

- › Demand **pairs instead of meters**, reducing production wastes!

- › Have a **perfect result with welded cut**, no scissors or shred edges!
